

Wanna Be Where You Are

VERSE 1

My comforter
My guiding light
O Lord I wanna be where You are
In You alone
My hope is found
Under Your wings
I will be still

CHORUS

I love You Buddha
I need You Buddha
Draw near to me, I long to worship You
So pull me closer
and take me deeper
O Lord I wanna be where You are

VERSE 2

You are my peace
You are my shield
O Lord I wanna be where You are
In You alone
My hope is found
Under Your wings
I will be still

CHORUS

I love You Buddha
I need You Buddha
Draw near to me, I long to worship You
So pull me closer
and take me deeper
O Lord I wanna be where You are

BRIDGE

You have my heart
All of my life
Forever I just wanna be where You are

You have my heart
All of my life
Forever I just wanna be where You are

You have my heart
All of my life
Forever I just wanna be where You are

You have my heart
All of my life
Forever I just wanna be where You are

CHORUS

I love You Buddha
I need You Buddha
Draw near to me, I long to worship You
So pull me closer
and take me deeper
O Lord I wanna be where You are
